If, during such specified period, such goods shall fail to perform in accordance with Rainbow Outdoor's specifications, Rainbow Outdoor shall, at its expense and option, repair or replace such defective goods; provided, however, that Rainbow Outdoor shall not be responsible for any removal, installation, or reinstallation costs; and provided further, however, that if any such remedy shall fail of its essential purpose, Rainbow Outdoor's maximum and sole liability arising from or related to the Contract, or from any attempts to repair or replace such defective goods, shall be limited to payment of the purchase price, or the allocable portion of the purchase price which relates to the defective goods furnished under the Contract. **THE FOREGOING WARRANTY AND REMEDY SHALL BE CUSTOMER'S SOLE AND EXCLUSIVE WARRANTY AND REMEDY UNDER ANY AND ALL CIRCUMSTANCES.** The foregoing warranty shall be void if any of the following shall occur: (1) Customer's improper storage, transportation, installation, repair, or use of the goods; (2) unauthorized modification or misuse of the goods; (3) damage resulting from lack of care or maintenance; (4) Customer's failure to pay the invoice in full under the terms of the Contract; (5) Customer's return of any goods without an official return authorization number; or (6) Customer's violation of these Terms and Conditions or any other provisions of the Contract Upholstery and other materials not manufactured by Rainbow Outdoor are covered solely by the manufacturer's warranty, if any.

**DISCLAIMER OF ALL OTHER WARRANTIES:** Rainbow Outdoor makes no warranty other than the limited warranty described or provided above. **THIS LIMITED WARRANTY IS EXPRESSLY IN LIEU OF ANY AND ALL OTHER EXPRESS OR IMPLIED WARRANTIES INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, ALL OF WHICH ARE HEREBY EXPRESSLY DISCLAIMED.** In no event shall Rainbow Outdoor be liable for, and Customer shall indemnify and hold Rainbow Outdoor harmless from: (1) any and all damages, direct, indirect, general, special, incidental, or consequential, WHETHER RESULTING FROM RAINBOW OUTDOOR'S NEGLIGENCE OR OTHERWISE, arising out of, in connection with, or resulting from the goods sold hereunder, and (2) any and all claims, actions, suits, and proceedings which may be instituted in respect to the foregoing including, without limitation, those made by subsequent owners and users of the goods.

**INDEMNIFICATION:** Rainbow Outdoor shall not be liable for any property damage whatsoever or claims of any kind whether based on contract, warranty, or tort INCLUDING, WITHOUT LIMITATION, RAINBOW OUTDOOR'S OWN NEGLIGENCE OR OTHERWISE, or for any loss or damage arising out of, in connection with, or resulting from the Contract, or from the performance or breach of the Contract, or from any services or goods covered by or furnished under the Contract. Customer agrees to indemnify and hold harmless Rainbow Outdoor against any and all liability associated therewith whatsoever whether based on contract or tort, AND WHETHER RESULTING FROM RAINBOW OUTDOOR'S NEGLIGENCE OR OTHERWISE including, without limitation, all claims made by any third party.

**RESALE:** RAINBOW OUTDOOR EXPRESSLY DISCLAIMS ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE including, without limitation, any liability to or warranties made for the benefit of any third party including, without limitation, any third party to which or to whom Customer may sell or transfer the goods which are the subject of the Contract. Notwithstanding the foregoing, all of these Terms and Conditions shall be binding upon Customer and all subsequent owners and users of such goods. Without limitation of the foregoing, however, the goods identified in the Contract are sold subject to the condition that they shall not, nor shall any portion of them, by way of trade or otherwise, be lent, resold, or otherwise conveyed without similar conditions including, without limitation, this condition being imposed on the subsequent borrower, purchaser, or transferee. **FILING A CLAIM:** To file a claim, Customer must contact Rainbow Outdoor at 305-620-7278. Except as otherwise provided in these Terms and Conditions, all claims must be submitted within 30 days of discovery. Customer will be required to submit the following information as part of the claim:

- Description of and pictures illustrating reasons for the claim
- Invoice number
- Quantity of goods delivered
- Quantity of goods included in the claim
- Proof of care and maintenance
- Other details relevant to the claim

After a valid claim has been submitted, together with all information required above, Rainbow Outdoor will do the following:

- Issue a return authorization number to the Customer, and the Customer is required to ship all goods included in the claim at Customer's expense to a Rainbow Outdoor location of Rainbow Outdoor's choice. Such shipment will be F.O.B. destination. All goods must be properly packaged to avoid freight damage. Goods may not be returned without a return authorization number.
- After inspection, if the warranty claim is approved by Rainbow Outdoor, Rainbow Outdoor will, at its sole discretion, repair or replace the goods at no charge, and will reimburse return freight charges. If it is unable to repair or replace the goods, Rainbow Outdoor will credit a pro-rated amount back to the Customer. If the warranty claim is rejected, Customer shall be responsible for all freight charges and cost of the replacement goods.

Repairs or replacements do not extend the product warranty contained in these Terms and Conditions. Such warranty applies solely to Customer and only Customer is permitted to submit a claim as to the goods.

**TERMS OF PAYMENT:** All payments are due thirty (30) days after the date of Rainbow Outdoor's invoice, unless client's account is on pre-pay terms or Rainbow Outdoor otherwise expressly agrees in a writing signed by an authorized representative of Rainbow Outdoor. All credit terms requested for new accounts, and by existing customers who have previously been extended credit terms, are subject to credit approval in Rainbow Outdoor's sole discretion. Purchase orders that provide for partial shipment or shipments in installments, or orders that provide for delivery dates more than sixty (60) days after the date of acceptance of the purchase order by Rainbow Outdoor, are subject to credit review and approval both at the time the purchase order is being considered by Rainbow Outdoor, and prior to the time of shipment. At either of such times, Rainbow Outdoor may withdraw any credit terms previously offered to Customer, and Rainbow Outdoor may require full or partial payment prior to shipment. Rainbow Outdoor may require Customer to provide current financial information and credit references to Rainbow Outdoor at any time or times. Customer's failure to deliver current financial information or credit references to Rainbow Outdoor within ten (10) days after Rainbow Outdoor's request shall constitute reasonable grounds for Rainbow Outdoor to suspend performance of its obligations under the Contract and to withdraw any credit terms previously offered to Customer. If Customer's financial condition is not satisfactory to Rainbow Outdoor at any time, Rainbow Outdoor may cancel the order or require full or partial payment in advance of shipment, or such other assurance of payment including, without limitation, advance payment, the furnishing of a letter of credit or personal guaranty, cashier's check on delivery, or business check on delivery, in Rainbow Outdoor's sole discretion and in a manner satisfactory to Rainbow Outdoor. Payment is considered as having been made on the date payment is received by Rainbow Outdoor; provided, however, that payment shall not be deemed to have been received with respect to a check unless funds are actually collected by Rainbow Outdoor with respect to such check. Interest on any past due payment or part thereof shall accrue at the rate of 2% per month, or if this interest rate exceeds the maximum contract rate allowed by applicable law, then at the maximum lawful contract rate, applicable from time to time. Special Orders require 50% DEPOSIT with the placement of special-order colors, items, from Turkey. ## **100% RECYCLABLE**

It is important to underline the fact that plastics can be 100% recyclable. They have the least energy-consuming raw material in the production and recycling stages and are one of the most environmentally friendly products in the world. We produce first-class products with environmentally friendly production processes by recycling plastic granules with intact chemical structures obtained from plastic production sectors. While the products we produce do not contain any harmful and toxic substances, they can be recycled and used repeatedly because they are made with pure Polypropylene.

## **CARE AND MAINTENANCE**

Do not use pressure cleaners because they can damage the outdoor furniture. To clean the chairs and tables, use water and non-abrasive liquid detergents. To maximize the useful life of the product store it in a place protected from sunlight, humidity, salty environments, dirt, and high temperatures when not in use.

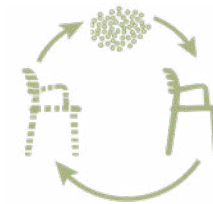

## **GENERAL WARRANTY**

Rainbow Outdoor chairs are warranted for a period of two (2) years under normal RESIDENTIAL use and maintenance against any manufacturing defect that affects their functionality. The buyer should always prove the ownership of the product purchased by invoice or receipt.

Commercial, Contract, & Hospitality use of products including dining tables are warranted for a period of one (1) year from the time of delivery proof of ownership is required.

Products are tested and comply with safety certification for 2000 hours of UV irradiation. These guarantees are granted under normal use and service conditions against any manufacturing defect that affects the functionality of the products. This warranty does not cover defects and flaws resulting from the passage of time or wear and tear caused by the use. This warranty does not cover discoloration, and/or tinging of the colors, changing textures of materials, cracks, scratches, chipping and peeling paint, and gouges due to the use of such products, etc.

In case of a defect in the manufacturing process of our product, only Rainbow Outdoor may determine the option to repair, replace or reduce the price of the product.

**REUSE  
REDUCE  
RECYCLE**

## **SUSTAINABILITY**

Rainbow Outdoor has been manufacturing using 'Environmentally Friendly Production Technologies' since its establishment in 2002.

It has made its response to environmental health through its environmental health R&D studies, an experienced technical team, projects for new system standards, and its production in ISO-9001 quality standards. It is committed to improving its processes to be environmentally friendly

## **OIL CONSUMPTION**

As you know, plastics are petrochemical products. With recycling, it is ensured that our natural resources are used more efficiently by reducing oil consumption, which is limited in our world.

## **ENVIRONMENT**

Plastic products, which take many years to dissolve in nature after they become waste, can be transformed into new and problem-free products with our Regeneration and Environmentally Friendly Production Processes. Our secret is regenerating only raw materials that contain 100% PP that does not contain any harmful or toxic materials. The regenerated material preserves its chemical structure completely since it is not exposed to sunlight.

## **WASTE**

All of our plastic production wastes are re-included in our production cycle after going through the necessary processes.

## **PACKAGING**

We produce our plastic pallets with 100% recycled raw material. Our cardboard boxes are produced with 75% recycled paper.
